

## About Us

The Foundation For Excellence (FFE) was founded with the mission to award college scholarships to students who, although financially constrained, showed great promise in the Engineering, Medical, and Law programs, these being some of the most expensive higher education programs in India. Apart from FFE's alumni, who support future scholars like themselves, donations come from all around the world from individual donors, corporations and foundations.

## Corporate Testimonials

"Axtria's association with FFE is a deep rooted connection with its values and core foundation. With immense sense of satisfaction of our humble contributions to the lives of FFE scholars, we feel strengthened and charged to do much more in the coming years. Our most proud contribution has been when we hired one of the mentees last year (2019) and could provide internships to 4 mentees this year (2020)."

Manish Mittal  
Country Head, Axtria Pvt. Ltd.

"The Foundation (AWOO - a World of Opportunity Foundation) was registered as a charitable trust in 2011, and since then we have been able to transform the lives of 1,175 students. We now have a 300+ strong AWOO alumni base working in organizations like Citibank, Capgemini, Ford, Schneider Electric, Mahindra, Godrej etc. which in itself is a testimony to the kind of impact it has made over the years. Foundation For Excellence (FFE) has been our trusted partner since long, and it has always delivered way above the commitments made, each time we have partnered with FFE. An unflinching passion for transparency and earnestness in action has been the bulwark of it's strengths in the field of enabling education through scholarships. We look forward to a long and fruitful association with FFE."

Rajiv Gupta  
Secretary, AWOO Foundation
